

EXHIBIT E
Service Interval Guide for Field Connection Point

Installation Guidelines apply where facilities/network capacity is in place. Where facilities/network capacity are not in place, intervals are handled on an Individual Case Basis (“ICB”).

Product	Activity/Features	Installation Guidelines
Field Connection Point	Feasibility	Ten (10) Calendar Days from Receipt of Complete Application
	Quote	Twenty-five (25) Calendar Days from Feasibility
	Ready for Service: Timely Quote Acceptance	Within Ninety (90) Calendar Days from Application

Note: As for the proposed FCP at the corner of Ruby and Emerald Roads, Qwest agrees to make best efforts to provide a ready-for-service date prior to the 90 days as listed above.
